## Liquor Quantity Suggestions

Please note that all liquor must be 1 liter or .750 liter (Not 1.75 liters or “Handles”)

	<u>Guest Counts</u>	<u>50</u>	<u>100</u>	<u>200</u>
<b><u>Liquor Type</u></b>				
Bourbon		1	2	3
Blend / Rye		1	1	2
Tequila		1	1	3
Rum		1	1	3
Gin		1	1	2
Scotch		1	2	3
Vodka		2	6	12
Triple Sec		1	1	2
Dry Vermouth (sm btl)		1	1	2
Sweet Vermouth (sm btl)		1	1	2
<b><u>Wine</u></b>				
White		6	12	36
Red		6	12	36
Blush		3	6	9
<b><u>Beer</u></b> (cases)		2	4	10

Please note: These are suggested quantities based on the average event. Please order accordingly base on the type of party (specialty drinks) and the type of guest attending (beer and wine crowd vs. mixed drink crowd). Most liquor stores will take back unopened liquor for refund, so therefore it is always better to get extra than to run short. You do need to find out what the return policy is for beer (most stores will only take back full un-chilled cases). We strongly recommend that you keep your beer choices to three or four different types / brands.

We are happy to consult with anybody booking an event with PBS.
